## SUMMARY

Had worked in IT-Expert Nepal as React js intern while pursuing B.sc (hons) IT at Softwarica College of IT and E-commerce affiliated under Coventry University UK, I have developed necessary skills in Software development, Mobile application development, Data Science, Content writing and editing. Similarly, I have experience in working in a team, and also gained much experience of leadership during group assignment, hence looking forward to an opportunity to work in software industry to further develop related skills and grow a successful career in the same time.

## Experiences

**IT Expert Nepal-** *intern* (February 2021-August 2021)

Worked as Frontend developer (React js) intern to design and manage different real-world Projects to transform into valuable business insight.
